

Testing html to canvas to PDF  
Working example 2025-01-17

Text after the image

**Header Text**

More to write here

We should have more advanced HTML

**Text after the image**

But this will have to do for now  
It is fun to work with Javascript

Text after the image

**Header Text**

This is text 4, it does not use WebWorkers  
The next test 5 will use web workers

**Text after the image**
