Testing html to canvas to PDF Working example 2025-01-17

Text after the image

Footer Text Page 1 of 4

More to write here We should have more advanced HTML

Text after the image

Footer Text Page 2 of 4

But this will have to do for now It is fun to work with Javascript

Text after the image

Footer Text Page 3 of 4

This is text 4, it does not use WebWorkers The next test 5 will use web workers

Text after the image

Footer Text Page 4 of 4
